

Irina Shkviro

PERSONAL INFORMATION

Address	1 Arsenalnaya Street, 293, Novoye Devyatkin, Russia
E-mail	IrinaShkviro13@gmail.com
Telephone	+7(953)1736225
Date of birth	13.01.1995
Marital status	Single
Nationality	Russia

EDUCATION

Date	Institution	Study	GPA
2016 – to present	Computer Science Center	-	5.0
2016 – to present	Saint-Petersburg State University, Mathematics and Mechanics Faculty, master	-	5.0
2012 – 2016	Saint-Petersburg State University, Mathematics and Mechanics Faculty, bachelor	“Evaluation of HMM applicability for analysis of data streams”	5.0
2010 – 2012	Academic Gymnasia of Saint-Petersburg State University, Department of Physics and Mathematics	“The program realization of tasks of interpolation theory”	5.0

Elaboration of applications with help of: C++, Python, R, C#, Unity 3d.

ADDITIONAL EDUCATION

Date	Name	Result
29 October 2015 – 31 May 2016	Course of studies Wargaming Academy (theory and practice)	Certificate
December, 2016	Course “Programming language C++”	Certificate with Distinction
July, 2013	Summer Programming School, Mathematics and Mechanics Faculty, Saint-Petersburg State University	Certificate

PARTICIPATING IN PROFESSIONAL COMPETITIONS

Date	Name	Result
29 October 2015 – 31 May 2016	The best game project among the Wargaming Academy graduate	Winner
24-25 October 2015	Hackathon, 1 st Line, Spb	Winner
Spring 2015	International Student Digital Competitions “3K” (“Applied mathematics”)	Finalist
November – December 2014	Changellenge >> Cup SPB 2014	Winner
Autumn 2013	Regional Student Competitions	3 rd degree diploma
18-21 May 2012	International scientific conference “XXII Sakharov Readings”	Participant

27-30 April 2012	XXI All-Russian scientific Conference "Intellectual Regeneration"	Participant
1-4 March 2012	Interregional scientific conference "XI School Khariton Readings"	Winner
15-21 January 2012	International Zhautykov Olympiad	Participant
2011-2012	All-Russian Contest "Lomonosov" (mathematics)	Winner
2011-2012	All-Russian Contest "Fiztech" (mathematics)	Winner
2011-2012	United Interuniversity Mathematics Contest	Winner
October – November 2011	Contest "Support of scientific and engineering creation of high school students"	Winner

WORK EXPERIENCE

Date	Position	Company
December 2014 – January 2015	Expert in bank computerization	Techno Diasoft, Russia
